Oct. 14th – VB Tournament, MVL

Oct. 16th –**BUTTERBRAID FUNDRAISER BEGINS**
VB at Cologne, 4pm

Oct. 17th – **CHAPEL TODAY!**
VB home, 3:30pm, Emanuel, Hamburg
Parent game after

Oct. 18th **LIFETOUCH PICTURE DAY!**
3hr. early dismissal

Oct. 19-20- NO SCHOOL-Educator Conference

Chapel

The amount given this week (\$21.16) will buy four Bibles or catechisms for the children in Africa, Asia and South America. This raises the total to 39 books which will tell other children about the love of Jesus. **Next week chapel will be on Tuesday** because Wednesday morning is picture day.

Mission Work

Our teachers, Mrs. Bernau and Mrs. Zumhove, their husbands, Pastor King, and Rebecca King, will be leaving on Oct. 20th for mission work in Guatemala. Let's keep them in our prayers!

ANNOUNCEMENTS

Youth Group Potluck & Volleyball: This event will be held on Sunday, Oct. 29th, starting at 11:15am at ILS. It is open to all 7th graders and up, their parents, and friends. You do not have to be a Youth Group member. Just come and have fun! If attending, please bring a dish to pass.

Classroom News

Miss Schuft's News - PreK 3 & Toddlers

The Tower of Babel was this week's Bible lesson. We worked as a team to create a very special tall tower, but we couldn't make it to the ceiling, much less heaven. We made tissue paper towers using white glue as our mortar and the tissue paper as our clay bricks. We put a cross of tape on our tower because we are all one in Christ Jesus. We've learned nine other ways to say "hello" in other languages. The tower of Babel never got finished because God mixed up their languages, making them go their separate ways, to understand that God is the best and we need Him in all that we do. "Seek first the kingdom of God." (Matthew 6:33) We've also been learning a little bit about each of our families and how big or small families can be. We will continue a family theme throughout the next two weeks.

Growing in Christ,
Angie Schuft & Andrea Harbarth

Mrs. Bernau's News - PreK-4

Waiting is such a hard thing for all of us to do. We can be so impatient! We heard the story of Abraham and how God promised him a family that would have as many people as stars in the sky. God gave Abraham and Sarah a son, Isaac. Isaac gave his parents joy.

This week was "Fire Prevention Week." We know it is important to get out of our homes and schools quickly with an escape plan. We went through a fire drill and learned our escape plan at school. All the children practiced what to do if their clothes were on fire: stop, drop, and roll. They know the number to call in an emergency is 911.

We worked on words that begin with the letter Dd and worked with rulers and measured different things in our classroom. We thank our 4th graders for coming into our room to build houses out of toothpicks and gum drops.

Joyfully sharing Jesus with His children every day,
Mrs. Bernau

Mrs. Heine's News - Kindergarten

The kindergarten class is learning about Abram and Sara; how they trusted in God's plan even though it was hard to leave home and make a long journey. They are also learning about Martin Luther and his trust in God's plan through hardship and adversity. Leaf rubbings on the hallway wall are so fun to make and help us appreciate God's wonderful world. Firemen and fire trucks for Friday are awesome! We're working on shapes and writing numbers correctly for math. Letter's Ff through Ii provide many opportunities for phonemic awareness which will help us get ready for reading words. Parents, some talking points: Did Abram trust God? How? What promise did God give to him? Did that promise come true? Does God keep all His promises? Did Martin Luther trust God through hardship? In what ways? How many sides does our yellow hexagon have? What is a good word that starts with Ff, with Hh?

In Christ,
Mrs. Heine

Miss Goltermann's News - Gr. 1-2

God gives us many leaders to guide us. One leader God chose was Moses to go speak to Pharaoh in Egypt. God called Moses to lead the people to the promised land. We have also looked at the many leaders God put in our lives. It is our calling to be obedient to these leaders as we learned in Titus 3:1-2: "Be obedient.....show perfect courtesy toward all people."

On Wednesday we visited the Gaylord Public Library. We heard two stories about fall and then toured the library. Students even had a chance to check out a book to take back to read. Thank you to Mrs. Kranz for guiding us on our visit.

It's here! Second graders have started learning cursive! We have learned two basic strokes and will now work on the letters that use those strokes. They are so excited about this new venture! First graders are continuing to grow in forming sentences and have now learned how

to write number sentences for math. In social studies we are learning about communities and reading maps.

In Christ,
Miss Goltermann

Mrs. King's News - Gr. 3-4

What a good week! We have finished chapters and taken tests. Now it's time to start new topics like Pochahontas and plants in our class. We were blessed to have two seniors from Mayer Lutheran High School spending Wednesday with us. Plans are being made for Nov. 10th to do the MN South District Mobile Pack for Feeding My Starving Children. A few parents will be needed to chaperone, so if you are interested, please see Mrs. King.

Go Eagles! The 4-6th graders placed 4th at the Hamburg tournament last weekend. This Saturday 5th-8th graders will play at MVL in New Ulm. Go Eagles!

God's blessings on your weekend,
Mrs. King

Mrs. Scharf's News - Gr. 5-8

Testing, testing!! It seems there was a test in almost every class this week. Most students had math, English, history, literature, and of course, spelling tests. They didn't complain...much! Actually, once the test is over, there is no homework for the class, so they do like tests. (Don't believe it when they claim otherwise!) ☺

We will be starting work on the peace posters in art this week. This is an annual Lions' Club event, and our students have always done well in the contest. It's a time when we can talk about what we can do to promote peace until Jesus comes.

Thanks to all who came for VIP day last Friday. It was nice to give you a little slice of what is happening in our school!

We had the annual firefighter visit on Friday. It's always a good reminder to change smoke detectors in our homes, and to be prepared "just in case."

Keeping Jesus at the center,
Mrs. Scharf

Mrs. Zumhofe- Gr. 5-8

Thanks go out to all who were able to help with the roadside clean-up on Thursday. We had a good, hardworking crew! We have started a couple of science experiments in Science 5/6. One involves yeast and molasses and the other involves bread and dust in a petri dish. We'll get out the microscopes to study what we can see developing (if anything).

Mid-quarter reports are going home today with the grade 5-8 students. Just a reminder: you can check on your child's grades at any time through Fast Direct. Info on this went home earlier this school year.

In His service, Mrs. Zumhofe
