☺☺☺KIE DAY

ILS Calendar

Nov. 11 – Holiday Vendor Fair, ILS 9am – 12:30pm

Nov. 12 – K-8 Sings 9am

ILC Veterans Celebration at Immanuel

Nov. 21 – Butter Braid delivery

Nov. 22 – 24 – Thanksgiving Vacation – No School

Chapel

Our chapel offering rose to the grand total of \$330.28 because the offering on Wednesday was \$50.45. That means we can contribute 66 Bibles or catechisms. The great reward of this mission is that children in Africa, Asia, and South America will hear about their loving Savior, Jesus! You are missionaries! Keep supporting this mission!

Guatemala

There will be a special presentation from the mission team during and after church on Sunday, November 12th. See pictures and hear about the mission trip.

ANNOUNCEMENTS

K-8 Sings: We will be singing in church on Nov. 12th to honor our Veterans. The children are to meet in the fellowship hall as they will be singing at the beginning of the service. After singing they will come to sit with their parents.

Thank you to the parents who attended the teacher conferences this week. It is important to stay in touch with the progress of your child/children as well as to have communication between parents and teachers. The Fast Direct program is also an excellent way to keep in touch.

Another thank you to the parents and students who helped **Feed My Starving Children**. The contribution of time and money is exactly what God would want you to do!

Holiday Vendor Fair: There will be lots of craft items, etc. from which to choose gifts for Christmas. Start your shopping early and support the programs at ILS.

Classroom News

Miss Schuft's News - PreK 3 & Toddlers

In the Learning Center this week we've met another new friend. We are all adjusting well with all the changes infants bring. If you know of anyone who'd like to help out, either as a volunteer or as an employee, please send them our way.

This week the PreK 3's have been learning about how Moses led the Israelites out of Egypt, away from Pharaoh, and to a land God had promised them. The parting of the Red Sea left us all in awe knowing God is the only one powerful enough to do something so great. The letter "B" was this week's letter. We learned many things that begin with the "B" sound, how to write the letter "B", and made a couple things for our Alphabet Book.

Reminder: Please send snowpants, boots, hats, mittens and coats. Weather permitting, we go outside daily.

Growing in Christ,
Angie & Andrea

Mrs. Bernau's News - PreK-4

We know that God is so good to us and has a plan for each one of us. In our Bible story this week we learned of Moses who was rescued from the reeds in the water. All the boy babies were to be killed by an order from the Pharaoh. Moses grew up under the care of Pharaoh's daughter who drew him out of the water. When he grew up there were many different kinds of trials that put the Children of Israel under attack. Moses led the people across the Red Sea. Our Bible words to remember are: "With God all things are possible."

We were on the letter "Gg" this week. We are working on studying good foods for our body using the food pyramid. We will do lots of graphing and sorting in class and discover what is the best food for us to eat. On Wednesday, we had our first mystery reader, "Trudy Wendorff." She read us books about giving thanks. On Friday, we took a walking field trip to Jerry's Grocery Store.

Walking by faith with Jesus,
Mrs. Bernau

Mrs. Heine's News - Kindergarten

This week we discussed Veteran's Day and made a heart for each Veteran to be given at Church. We have been working hard on Patriotic songs with the older children. We are also excited to hear about the Guatamala Mission trip on Sunday. Parents, take your time with the Martin Luther book and return it when you're finished. Thank you for coming in for parent conferences. They were great!

In Christ, Mrs. Heine

Miss Goltermann's News - Gr. 1-2

This week we learned about the building of the tabernacle. We focused on the words of Joshua 1:9, "The Lord will be with you wherever you go." We are also learning the 10 Commandments. We hope to see you in church! The children will be remembering our veterans in the service.

Our new social studies unit is "We Belong." We talked about the roles we have as members of families and other groups.

The highlight of our week was working at the Feed My Starving Children event. What a wonderful opportunity to serve others by providing meals for people in need! Thanks to the volunteers who went along to help.

I also want to thank everyone for attending conferences this week. If you ever have concerns or questions, feel free to contact me.

Remember to worship with your family this week!

In Christ, Miss Goltermann

Mrs. King's News - Gr. 3-4 What an exciting week at Immanuel! We kicked off the week with the book fair that has been a huge success. Thank you to all the families who supported the fair.

Parent-teacher conferences were a time to "brag" about our students and make plans to help and improve everyone's learning!

The week was topped off with our trip to Mankato to pack food for Feed My Starving Children. Watch for updates next week.

Sunday we will honor the veterans with our singing in church.

Along with all this, we still took a few tests and did most of our regular classes!

In Christ, Mrs. King

Mrs. Scharf's News - Gr. 5-8

We are a week into the second quarter already! The students are learning and reviewing all about verbs in English. They took the helping verb quiz to recognize them easily. For most, this was strictly review!

The 5th and 6th graders took their sixth math tests already! I encourage them to make sure to add \$ signs where necessary, and for the 6th graders to remember to reduce fractions. It's amazing how those half points taken off can add up! :(

Both the history classes are coming to the end of a chapter. The 5-6th graders did a short power point presentation about an invention using the new chromebooks. They did well!

Congratulations to Emily Pikal (2nd) and Addie Williams (1st), our peace poster contest winners!

Keeping Jesus at the center, Mrs. Scharf

Mrs. Zumhofe- Gr. 5-8

Thank you to all the parents who took time out of their busy schedules to attend the Parent/Teacher conferences this week. It is so helpful to hear what's on your mind concerning your child's education here at ILS, and for you to hear how your child is doing academically and socially. We are so proud of our students and their love for each other!

In both science classes we are studying insects, spiders, and all kinds of bugs! And we are steadily plugging along in math and algebra. The fifth graders are learning about hurricanes in reading and reading their mysteries for the next book report.

We are looking forward to singing on Sunday and thanking our veterans. We'll also be sharing Guatemala pictures during the service.

In His service, Mrs. Zumhofe
